Our Mission

To serve member health with excellence and dignity, respecting the value and needs of each person.

Our Vision

By 2027, remove barriers to health care access for our members, implement same-day treatment authorizations and real-time claims payments for our providers, and annually assess members' social determinants of health.

California Advancing and Innovating Medi-Cal (CalAIM) Overview

- CalAIM establishes the framework to address the **social determinants of health** and improve **health equity** statewide
- CalAIM is moving Medi-Cal toward a population health approach that prioritizes prevention and whole person care
 - Population of Focus (as of January 1, 2022) — Individuals transitioning from incarceration
- Our goal is to extend supports and services beyond hospitals and health care settings directly into California communities
 - Enhanced Care Management (ECM)
