## Juvenile & TAY – Target Date June 2023

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to complete
<b>B. Data Gathering, Sharing, and Analysis (Prevention)</b>			<b>60%</b>		
1. Develop a process to track, aggregate and analyze data from the County and County partners to determine the number of juvenile offenders who would qualify for the Specialty Court process but are unable due to capacity issues or other reasons	Courts	June 2023		RFP went out the end of August 2023. Vendor Demos are currently taking place. A new timeline is pending.	Need consensus on validated data source and ability to share with county partners
<b>A. Specialized Reentry Programs (Reentry)</b>			<b>95%</b>		
1. Implement the use of peer mentors to work with the juvenile and TAY population while in-custody across to post-custody to provide support and ensure linkages to needed services.	HCA-MHRS	June 2023		Contract has been established with PK for credible messenger/peer mentors/system navigators.	Services need to start

## Juvenile & TAY – Target Date June 2024

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to complete
<b>A. Communication &amp; Media Campaign (Prevention)</b>			<b>30%</b>		
1. Establish a communication strategy for youths and families involved in the juvenile delinquency system to ensure all are aware of the services available and how to access them.	CEO	June 2024		Monthly task force meetings focused OC Navigator Resource Guide(s) to be readily available across the identified points of engagement for these youth.	Anticipated completion of resource guide for prevention point of engagement February 2024.
<b>C. Juvenile Mental Health &amp; Substance Use Support Services (Prevention)</b>			<b>63%</b>		
1. Identify and obtain sufficient male and female SUD residential treatment beds in Orange County to ensure timely and appropriate placements into services.	HCA-MHRS	June 2024	75%	A contract is in place for beds for females aged 15-18. Gap remains for males. Current needs are met via a program in San Diego County or through intensive outpatient treatment	Obtain beds for males through another RFP process or with the additional adolescent residential beds planned at Be Well Irvine site.
2. Obtain dedicated placement beds for youth identified as CSEC to provide supportive mental health, health, and/or SUD treatment services.	SSA	June 2024	50%	A CSEC Placement Subgroup meets monthly and SSA can access funding for Intensive Services Foster Care (ISFC) placements for CSEC youth but are unable to find qualified caregivers or placements. MH and SUD services are available.	Increase the number of residential placements for CSEC youth by working to establish a network of ISFC homes.

## Juvenile & TAY – Target Date June 2024

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to complete
<b>A. Expand Juvenile Specialty Courts (Courts)</b>			57%		
1. Determine the priority to expand or establish a Juvenile Specialty Court and identify the population served and the capacity needed.	Courts	June 2024	80%	Crossover Youth Court was established March 2022 The need for a Family Treatment Court has been identified.	Implement Family Treatment Court
2. Identify resources needed including overall space needs to accommodate expansion of Juvenile Specialty Courts and related support services.	Courts	June 2024	50%	Initial space analysis resulted in several Juvenile Collaborative Courts being moved to the largest courtroom in the juvenile courthouse. Initial needs identified for outside community providers who provide services to collaborative court participants.	Complete the review of the space needs and configuration of available space.
3. Develop a detailed phased plan aligning the staffing and resource needs with the implementation of the identified Juvenile Specialty Courts.	Courts	June 2024	40%	Detailed plans for the expansion of the Family Treatment Court are in progress and anticipated to include resources from SSA, HCA, and Probation. A steering committee is being convened for the implementation and launching of the Family Treatment Court.	Complete the comprehensive timeline and phased plan for implementation of the Family Treatment Court.

## Adult - Prevention

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to Complete
<b>A. Communication &amp; Media Campaign (Prevention)</b>					
1. Create an informational campaign targeting individuals involved in the criminal justice system.	CEO HCA-MHRS	June 2023	75%	CEO has contracted with a PR firm to create a comprehensive informational campaign and creation of the OC CARES website and central phone number.	Development of the informational campaign with timelines.
<b>C. Crisis Response and Related Trainings (Prevention)</b>					
2. Implement a training program that includes a Basic CIT course and 911 Diversion training specifically for individuals assigned to dispatch positions.	OCSD	June 2023	95%	All active duty OCSD staff have completed a 16-hour Dispatcher CIT course. Implemented a working "Sequential Intercept Model Mapping" to diagram how calls are diverted to the appropriate crisis response teams.	Project will be completed when the call diversion is live (Jan 2024)

12

**OCCJCC**

## Adult - Courts

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to Complete
<b>A. Pre-Trial Intervention Program (Courts)</b>					
Establish diversion program for individuals who have been arrested and would benefit from court-ordered treatment diversion options prior to or at the point of arraignment or prior to start of trial.	CEO / Courts	June 2024	63%	Stakeholder departments and staffing needs have been identified for space planning purposes. The Court is currently conducting a pilot with the City of Anaheim.	Location.
<b>B. Expand Specialty Courts - Adults (Courts)</b>					
Increase capacity in existing specialty courts and develop and implement additional ones to address the underlying issues associated with mental illness, substance abuse, or homelessness.	CEO / Courts	June 2023	71%	A potential site has been identified for the new Collaborative Courts complex. Space allocation includes court and stakeholder operations to support these various calendars. The Court continues to analyze the increase in cases associated with recent and proposed legislative changes in Mental Health Diversion and Military Diversion.	The statutory and programmatic changes are implemented and their effects can be more accurately calculated and the initial design of the Complex is finalized.

## Adults – In Custody

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to Complete
<b>A. In-Custody Stabilization Services (In Custody)</b>					
To develop and sustain a robust mental health and substance use treatment program and services in the custodial setting focused on stabilizing the individual to be able to be placed in regular or specialized housing modules.	HCA-CHS/ OCSD	June 2024	88%	Additional therapeutic groups have been implemented and MAT treatments are available. A referral and linkage process to Open Access clinics, PK and MAT has been established. Women's MH mod has been completed and the men's is partially done. Step down care is provided and also implemented at TLF.	Need to expand but unable due to staffing shortages. Men's MH module needs to be completed (est mid-2024)
<b>B. Implement Enhanced Programming at New Musick Jail Facility (In Custody)</b>					
To ensure enhanced programming for individuals housed at the James A. Musick Jail facility when the new jail facility begins operations.	HCA-CHS/ OCSD	June 2023	60%	Planning meetings are continuing with OCSD and MHRS to work through tentative program plan for inmates with MH, SUD, or co-occurring disorders. Meetings continue to take place between Correctional Programs, Correctional Health Services and Security Staff based on implementation using a phased approach	Finalize the plans and open of the facility.

## Adults - Reentry

Task	Dept	Target Date	% (12/31/23)	Current Status	What's needed to Complete
<b>A. Regional Reentry Community Resource Centers (Reentry)</b>					
Establish reentry resource centers in each service plan area..... include basic services to assist with benefit enrollment and obtain ID's as well as referrals to services and programs ...	CEO Probation	June 2023	90%	First regional reentry center in South County is substantially completed. Operating agreements are in progress and a second site has also been identified.	South County Regional Reentry Center is implemented and plans for expansion in progress.
<b>B. Mobile Reentry Services (Reentry)</b>					
Mobile units would be deployed to targeted areas and are planned to allow for required check-ins with probation officers as well as provide assistance, resources, and referrals.	Probation	June 2023	75%	Grant received to purchase 2 mobile resource vehicles in addition to the two Sprinter vans planned to pilot Mobile Reentry Services. Sprinter vans have been purchased!	Purchase the RVs which are delayed due to available inventory and determine program plans.
<b>D. Workforce Reentry Center (Reentry)</b>					
1. Identify the workforce training model and create the development plan for the identified County property at the former Animal Care Site. Establish needed agreements for the development of the site.	CEO	June 2023	80%	RFQ was conducted and a response has been engaged in discussions regarding site and programming.	Agreements need to be put in place and preliminary plans for programs developed.
<b>E. Develop and Implement a Comprehensive Care Coordination Program</b>					
Provide the needed coordination of care for justice-involved individuals who need assistance in adhering to their treatment or discharge plan or who need assistance in navigating needed services or programs.	CEO	June 2023	87%	The universal consent form has been implemented; assessments have been gathered; and input sought from law enforcement entities to determine additional mechanisms for information sharing. Current focus is on high-utilizers in-custody who will experience homelessness after release.	Additional mechanisms for information sharing will be identified and developed. Expand care coordination efforts to include those not currently in the jails.
