

# CERTIFICATION OF CONSISTENCY WITH THE CONSOLIDATED PLAN INSTRUCTIONS

All projects submitted under Orange County’s Continuum of Care (CoC) Program Competition Notice of Funding Opportunity (NOFO) must be certified as being consistent with the Consolidated Plan of the jurisdiction where the proposed project is to be located. A Certification of Consistency must be submitted with the CoC NOFO Application by the established deadline.

Please complete a Certificate of Consistency with the Consolidated Plan (form HUD-2991) for each project. If your project involves scattered sites, please identify the jurisdiction with the majority of the beds. If your project is unknown at the time of submittal, please use your agency’s main office address.

Form HUD -2991 can be found at: <https://www.hud.gov/sites/dfiles/OCHCO/documents/2991.pdf>

Your agency will need to contact the jurisdiction directly and submit a copy of the completed Certificate of Consistency with the Consolidated Plan (form HUD- 2991). Below is a Consolidated Plan Certification Contact List.
