BUSINESS CALENDAR

1. CoC Updates – Felicia Boehringer, CoC Administrator, Office of Care Coordination

Due to pending quorum, Business Calendar Item 1 was presented before Consent Calendar Item 1.

Felicia Boehringer, CoC Administrator, provided updates from the March 26, 2025, CoC Board meeting, the OC Same Day Solutions Fair, and shared federal updates from the U.S. Department of Housing and Urban Development (HUD), including in the second award announcement of Fiscal Year (FY) 2024 CoC Program funding, Emergency Housing Voucher (EHV) funding cuts, removal of the Youth Homelessness Demonstration Program (YHDP) Notice of Funding Opportunity (NOFO) from the federal grant website, and the announcement of California's Homeless Housing, Assistance and Prevention (HHAP) Program Round 6 funding.

Committee Discussion:

- Nichole Gideon showed appreciation for the housing presentation by Doug Becht, Director of the Office of Care Coordination, during the March 26, 2025, CoC Board meeting, and noted it may be helpful for the presentation to be added to a future LEAC meeting. It was emphasized that communication between clients and providers regarding available housing stock needs improvement. Nichole Gideon inquired about HHAP Round 6 funding.

2. Homeless Management Information System (HMIS) Policies and Procedures Recommended Changes – Erin DeRycke, Director, Data Analytics, 2-1-1 Orange County (211OC), Orange County United Way and Felicia Boehringer, CoC Administrator, Office of Care Coordination

Erin DeRycke presented the recent updates and recommended changes to the HMIS Policies & Procedures. Revisions reflected feedback from the previous LEAC meeting, including input on the Client Records Request. An overview was also provided on recommended changes to the Grievance Form, Privacy Notice, Data Use and Disclosure, Data Integration, and Data Release policies.

Committee Discussion:

- Nichole Gideon showed appreciation for the updates made to the Client Records Request, as well as updates made from feedback by LEAC. Nichole Gideon also asked a question about recommended changes to Data Request and Data Integration and if both will no longer be going to the CoC Board for approval or if this will now be an administrative action. Nichole Gideon clarified that the Client Records Request will be available to the public.
- Chair Robert "Santa Bob" Morse inquired about why partnering agencies do not have adequate liability insurance.
- Vice Chair Paul Kaiser acknowledged the well-considered updates and recommended changes but expressed concerns about client access to the newly created and updated forms. Vice Chair Paul Kaiser questioned whether agencies would provide these forms upfront and assist clients in completing them or if service providers will tell clients they do not have access to that information.

- Larry “Smitty” Smith asked where HMIS data originates and how it is entered into the system, seeking clarification on why clients would need to request access to data they themselves provided to agencies. Larry “Smitty” Smith also inquired whether there are any fees associated with using HMIS.

Recommended Action a. Approve the recommended revisions to the HMIS Policies and Procedures, inclusive of the Client Record Requests, Data Use and Disclosure, Data Integration, and Data Release policies, as well as updates to the Client Consent Form, Grievance Form, and Privacy Notice, as recommend by the Orange County HMIS Policies and Procedures Working Group, for review and approval by the Policies, Procedures and Standards Committee.

Vice Chair Paul Kaiser motioned to approve Recommended Action a. Elizabeth Flores seconded the motion. Elizabeth Flores, Nichole Gideon, Paul Kaiser, Robert “Santa Bob” Morse, and Vinny Zarrella voted yes. Larry “Smitty” Smith voted no. Miranda Mear and Reha Agar voted to abstain. The motion passed.
