Training Options Available for Those <u>on</u> Eureka

HRS Learning & Organizational Development (L&OD) has created several free playlists of resources to provide relevant training opportunities while telecommuting. These playlists are available in the "Featured" section of your Learner Home page that <u>you can access from any computer</u> at:

https://ocgov.csod.com/

- Your username is your Employee ID (same number used in VTI).
- If you don't remember your password, click "Forgot Password" and a reset link will be sent to your County email or click "Need Help" to contact your Department Eureka Administrator.

If circumstances have interrupted your primary work, consider these opportunities to improve your skills during this time. Please work with your supervisor to determine whether these playlists are an appropriate option during your workday.
