Identified Critical Gaps in Reentry Services

- **Adult Corrections System**
  - Immediate need for a centralized location for all adults exiting the correctional system to obtain support for their reintegration into the community. This should include coordinated transportation and temporary housing.

- **Juvenile Corrections System**
  - Dedicated facility for post-custody housing of juveniles and TAY under the juvenile court system that includes treatment and support services with little to no disruption to services received while in custody.

Proposal – Existing County Resources

- Address both critical gaps identified by the Reentry Working Group.
- Renovate and repurpose vacant areas & facilities at Juvenile Hall.
- Pursue one (or several) P3 Partners for workforce development.
- Create opportunities to work closely with community providers serving the same population.

Juvenile Hall – Proposed Renovations

- Renovate vacant modules to recreate and relocate YGC program.
- Dedicate and modify one housing module from YLA to house non-violent first time TAY offenders identified as low risk to recidivate from county jails.
- Fence off to isolate identified vacant modules to have them outside of the secured area of JH.
- Renovate to establish transitional housing and support services.
- Explore space for CSEC housing or other specialized needs for SSA’s dependent youth.
Workforce Development Center

- One-Stop Workforce Center
- Short & Long-Term Certification or Training Programs
- Community Partnership to provide industry expertise, oversight, and mentorship
- Retail and Marketing Plan
  - Explore use of a P3 model to develop the former Animal Care site for enterprise area.

Reentry Services Center

- Serve all adults in the criminal justice system on a volunteer basis
- Transportation would be available to the facility upon release from jail
- Services may include:
  - Residential Mental Health
  - Case Management
  - Peer Support
  - Job / Life Skills Training
  - Temporary Housing
  - Space for Community Providers
- Managed by Contracted Services
- Oversight by Probation Department
  - Located at the current YGC site
  - Include transportation, contracted services, housing, and space/coordination with other community providers
  - Probation Department will assume oversight of reentry services.
Role of Probation

- Centralizes responsibility for all reentry services
- Ensures consistent services are available for all individuals released from jail or prison on supervision

</tbody>
</table>

- Provides central location of programs/services for Probation Officers to utilize
- Establishes collaborative working relationships with other community providers serving the same population

Next Steps

- OCCR will continue to establish One-Stop Shop for Theo Lacy Facility.
- CEO Real Estate will issue an RFP for one or several P3 partners for the Workforce Development Center at the Theo Lacy Facility.
- CEO and the impacted departments fiscal teams will complete detailed cost analysis for each aspect of the proposed projects.
- Align results from cost analyses with available or anticipated funding to develop an approximate timeline.
- Identify and address internal and external challenges.
- Provide routine updates to OCCJC.
Thank you
